Whatever fundraising ideas or challenge you decide on, we'll be there to support you.

There will be prizes for the most successful teams and the most ingenious ideas, but the biggest winners by far, will be our members, those affected by sight loss.

To get involved, please contact Amanda on [07715 078 789](tel:07715078789) or amanda.mcfarlane@vistablind.org.uk
